Dear Dr. Moreland:

The Scientific Director and CTR's staff have discussed your request for partial support of the conference on *"Regulation of Smooth Muscle"*. Unfortunately, competition for research funds has meant we are unable to approve a number of meritorious requests for meeting support this year. In addition, we typically commit our entire meeting support budget early in the year. Although we are unable to lend assistance for this particular conference, the Scientific Staff and I hope you will not hesitate to contact us about partial funding for future meetings.

Sincerely,

Harmon McAllister
